

Getting Started with eBooks at the Smiths Falls Public Library: for Mac and non-WiFi enabled eReaders

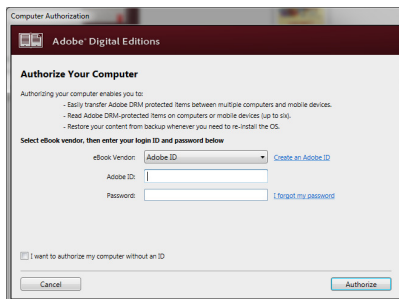

Setting up OverDrive

To access the Overdrive Website go to the Library's website: www.smithsfallslibrary.ca. Click on the 'Online Resources' link and choose "eBooks & Audiobooks" from the drop down menu. Click on the "browse the OverDrive Digital Library" link.

Installing Adobe Digital Editions

You will need to download a free copy of Adobe Digital Editions 3.0. Click on the "Help" icon and then the "Applications" link on the new page. Choose "Adobe Digital Editions" from the list. In the new window select "Download". Under Additional Downloads select "here" following Download Digital Editions 3.0. Complete the installation process.

Before you can download eBooks you need to "Authorize" your computer. After installing, Adobe Digital Editions will automatically start. Click on "help" and then "authorize computer". If you do not have an Adobe ID, click on "Create an Adobe ID" and complete the set up process. Once completed or if you already have an Adobe ID, log in to authorize your computer.

To sign in, please type your library's name and select it from the list.

Once you are signed in, click on the "account" icon to see what eBooks you have borrowed or placed on hold. You can also keep a wish list of eBooks you'd like to read and you can change your browsing options.

Find an eBook to download. Search the catalogue by title, author, ISBN or browse the categories at the top of the page by scrolling down the home page.

Titles that are currently available will have a dark icon "■" in the top right corner of the item's image. If it is unavailable the icon is grayed out "□". Place your cursor on the image of the eBook to either "Borrow" the eBook, if it's available, or to "Place a hold" on the book. To check out an eBook click on "Borrow".

Note: eBooks you have placed on hold will automatically go into your bookshelf when they become available and you will receive an email notification 3 days

Download (EPUB eBook)

prior to the expiration of the hold.

To download an eBook, click “Download” located next to the item while in your Bookshelf. Once the file has finished downloading to your computer, double click on the file to open it. It will automatically launch Adobe Digital Editions to complete the download of your eBook to your computer.

Transferring eBooks to a portable device

Connect your eReader to your computer. In Adobe Digital Editions, click and drag the eBook you want to transfer to the eBook device icon located in the left pane of Adobe Digital Editions. Safely Eject eBook device and enjoy eBooks on the go.

Note: If you have not previously authorized your device click on the “” next to Devices. Then click “Authorize Device” and re-enter the same Adobe ID you entered above.
